Please Note:

To account for the likelihood of intermittent closure, we aim to provide the children with as much direct classroom time as possible. This will require us to adopt the following flexible scheduling in the event of extended closures.

We might need to have in-class extended to these weeks:

Classes to occur during February President's Break (February 15-19th)

Classes to occur during Spring break (March 29-April 5th)

Classes to occur through June 24th
